# *2016 Summer Online Health and Physical Education Courses*

Thank you for your interest in summer online health and physical education. As many of you know, online summer health and physical education has become a popular program for our students. Due to limited resources needed for this type of online course, we must cap the enrollment at 500 students. Priority will be given to rising 11th and 12th grade students to ensure they have the credits necessary for graduation. Rising 9th and 10th grade students will be eligible for a lottery for the remaining slots. Students who are not selected in the lottery need to be prepared to take the course in regular summer school, during the school year or another summer online. More information regarding the lottery and summer online health and physical education classes can be found at <https://sites.google.com/a/henrico.k12.va.us/online-health-and-pe/home>.

**Courses are offered to students who will be enrolled in Henrico County Schools or HCPS students enrolled at Maggie Walker Governor's School during school year 2016-17.**

**All** students, including any junior or senior, who wish to be considered for online health and physical education **must** sign-up for the lottery. If you are seriously interested in taking this class, please fill out and submit the lottery form (once per child) located at <http://tinyurl.com/onlinehpe2016> You may verify that you are on the lottery list by going to the following link and looking for your name: <http://tinyurl.com/hpelotteryconfirmation>

Parents may sign up for the lottery from February 8, 2016 around 7:00 AM - February 26, 2016 at 4:00 PM. Everyone who signs up for the lottery will be contacted through email no later than March 11, 2016 to let them know if they were selected into the summer online health and physical education class or not selected and placed on the wait-list. It is VERY important for email addresses to be correct as all correspondences will be thru email. If selected, parents will need to go to their home school counseling office to register and pay for the class between March 14, 2016 - March 24, 2016 at 4:00 PM. If students are not selected through the lottery, they will NOT be able to register in the counseling office. Registration is not complete until forms and payment are received in the counseling office. After registration closes on March 24, 2016 at 4:00 PM, if less than 500 students are registered for Online Health & Physical Education, slots will be given to students based on the lottery selection. These students will be notified on March 25, 2016.

We are proud to be able to offer a strong and popular summer online health and physical education program. We appreciate everyone's patience and understanding, as we handle the high student demand in a fair and equitable way.

If you have any questions, feel free to contact Benita Turner at [mbturner@henrico.k12.va.us](mailto:mbturner@henrico.k12.va.us) or 804-652-3741 or Julie Ballowe at [jfballow@henrico.k12.va.us](mailto:jfballow@henrico.k12.va.us).
