

Nurturing Your Student's Emotional Wellness.

American Foundation for Suicide Prevention

This **Workshop** will be presented by the
Henrico County School Counseling Department

Date: Wednesday, April 5, 2017

Time: 7-8 pm

Where: Deep Run High School

Learn Strategies from this program, and a Parent, on how to recognize signs of depression and other mental health problems. Initiate a conversation with your child, and get them (or one of their friends) help.

- Suicide is the third leading cause of death among persons aged 10-14 and the second among persons aged 15-34 years.
- Among students in grades 9-12 in the U.S. during 2013, 17.0% of students seriously considered attempting suicide in the previous 12 months (22.4% of females and 11.6% of males).

According to the CDC's statistics from 2013 (2014 statistics are not yet available).
